BloomAgain Foundation NJ welcomed best-selling author and world-renowned corporate coach, Dr. Lois Frankel, back to the Garden State in early fall. Dr. Frankel inspired and empowered women to get the most out of their lives with her signature presentation, *Bloom Where You Are Planted*, at Rumson Country Club's River House.

Dr. Frankel taught attendees how to get the most out of their life, whether they were navigating the corporate world, volunteering, or transitioning to your next big thing. Dr. Frankel's program included tips on building relationships that work for you, setting boundaries, having difficult conversations and handling resistance.

Dr. Frankel was available to sign her Amazon.com best seller, *Ageless Women, Timeless Wisdom: Witty Wicked and Wide Reflections on Well Lived Lives* with proceeds going to BloomAgain Foundation NJ.

BloomAgain is a local 501(c)3 that provides rapid response financial assistance for living essentials to working women living at or below poverty level when they miss work due to a medical challenge.
